Molds	(AOAC RI 121301)	≤ 1,000 cfu/g	< 1,000 cfu/g	PASS

Final Disposition
PASS

This product has been reviewed and approved by our FDA Approved Lab located in the United States of America.

The results reported in this Certificate of Analysis (COA) are truthful and representative of the lot. The finished product and all raw materials used to manufacture the batch have been found to meet required specification limits in accordance with 21 CFR 111 (cGMP) regulations and the product is duly released.

Key Data Transferred:

- **Product Name:** Whey Isolate Chocolate
- **Lot Number:** 060122C281
- **Protein Specs:** Active ingredient (WPC 90%) tested against a 26g/serving specification
- **Assay:** Specifically recorded at **97.53%** (exceeding the NLT 95% requirement)
- **Appearance:** Brown colored powder and solution
- **Microbiology:** All parameters, including Plate Count and Salmonella, were found within acceptable limits
