<b>Final Disposition</b>
<b>PASS</b>

This product has been reviewed and approved by our FDA Approved Lab located in the United States of America.

The results reported in this Certificate of Analysis (COA) are truthful and representative of the lot. The finished product and all raw materials used to manufacture the batch have been found to meet required specification limits in accordance with 21 CFR 111 (cGMP) regulations and the product is duly released.

## Key Data Transferred:

- **Product Name:** Whey Isolate Vanilla
- **Lot Number:** 060122C282
- **Serving Size:** 27.45g (33 Servings Per Unit)
- **Assay:** Specifically recorded at **97.11%** (exceeding the NLT 95% requirement)
- **Appearance:** Vanilla colored powder and solution
- **Microbiology:** All parameters (Plate Count, E.Coli, Salmonella, Yeast, Molds) meet established safety limits
- **Disposition:** Final status is "**PASS**"
