Staphylococcus aureus	Biolumix	None Detected	None Detected	PASS
Yeasts & Molds	Biolumix	< 10,000 cfu/g	< 10,000 cfu/g	PASS

<b>Final Disposition</b>
<b>PASS</b>

This product has been reviewed and approved by our FDA Approved Lab located in the United States of America.

The results reported in this Certificate of Analysis (COA) are truthful and representative of the lot. The finished product and all raw materials used to manufacture the batch have been found to meet required specification limits in accordance with 21 CFR 111 (cGMP) regulations and the product is duly released.

## Key Data Transferred:

- **Product Name:** Max Detox W/Acai Berry
- **Lot Number:** AD220822
- **Physical & Identity:** Brown capsules with a characteristic odor; identity confirmed via NIR (USP <1119>)
- **Heavy Metals:** All levels (Arsenic, Cadmium, Lead, Mercury) are within established safety thresholds
- **Microbiology:** Passed all tests, including Biolumix methods for Total Plate Count, Coliform, and various pathogens
- **Disposition:** Final Status is "**PASS**"
