Heavy Metals				
Mercury (Hg)	ICP MS(AP-HM-1)	NMT 0.3 mcg/Daily Dose	0.088 mcg/serving	PASS
Arsenic (As)	ICP MS(AP-HM-1)	NMT 10 mcg/Daily Dose	0.202 mcg/serving	PASS
Cadmium (Cd)	ICP MS(AP-HM-1)	NMT 4.1 mcg/Daily Dose	0.219 mcg/serving	PASS
Lead (Pb)	ICP MS(AP-HM-1)	NMT 0.5 mcg/Daily Dose	0.188 mcg/serving	PASS
Microbiology				
Total Bacterial Count	Biolumix ML0701.1	NMT 10,000 CFU/gram	Passes	PASS
Total Mold & Yeast Count	Biolumix ML0701.2	NMT 1,000 CFU/gram	Passes	PASS
Coliforms	Biolumix ML0701.3	NMT 10 CFU/gram	Passes	PASS
E. Coli	Biolumix ML0701.4	Negative	Passes	PASS
Salmonella/Shigella	Biolumix ML0701.4	Negative	Passes	PASS

Final Disposition
PASS

This product has been reviewed and approved by our FDA Approved Lab located in the United States of America.

The results reported in this Certificate of Analysis (COA) are truthful and representative of the lot. The finished product and all raw materials used to manufacture the batch have been found to meet required specification limits in accordance with 21 CFR 111 (cGMP) regulations and the product is duly released.

Key Data Transferred:

- **Product Identity:** Beef Liver Capsule.
- **Lot Number:** 9322212-277E.
- **Active Ingredients:** Verified Grass-fed Liver (Bovine) at **3000 mg** per 4-capsule serving (100% input).
- **Physical Characteristics:** Size #00 clear gelatin capsule filled with brown powder blend; passed disintegration and weight variation tests.
- **Heavy Metals:** Mercury, Arsenic, Cadmium, and Lead all verified well within daily dose safety limits.
- **Microbiology:** Passed all categories, including Total Bacterial Count and pathogen screening (E. Coli, Salmonella/Shigella).
- **Dates:** Manufacture Date 01/2023 and Best by Date 01/2026.
- **Disposition:** Final Status is "**PASS**".
