

High-Performance Pre-Workout - Watermelon | Strength & Endurance Formula
SKU: ROC606

CERTIFICATE OF ANALYSIS

Product Name	High-Performance Pre-Workout - Watermelon Strength & Endurance Formula		
Product SKU	ROC606	Lot Number	11884

ANALYSIS	METHOD	SPECIFICATION	RESULTS	STATUS
Nutritional Profile				
Sodium	WI.ICP.409	> 80 mg/serving	88.592 mg/serving	PASS
Vitamin B3 Nicotinic Acid	WI.HPLC.306.07	> 20 mg/serving	21.688 mg/serving	PASS
Heavy Metals (Prop 65 Compliant)				
Arsenic	USP <2232>	< 15 mcg/day	0.182 mcg/day	PASS
Cadmium	USP <2232>	< 5 mcg/day	0.028 mcg/day	PASS
Lead	USP <2232>	< 5 mcg/day	0.315 mcg/day	PASS
Mercury	USP <2232>	< 15 mcg/day	< 0.001 mcg/day	PASS
Microbiology				
Total Plate Count	Biolumix	< 100,000 cfu/g	< 100,000 cfu/g	PASS
Total Coliform	Biolumix	< 1,000 cfu/g	< 1,000 cfu/g	PASS
E. coli	Biolumix	None Detected	None Detected	PASS
Salmonella spp.	AOAC 2013.01 <Vidas>	None Detected	None Detected	PASS
Staphylococcus aureus	Biolumix	None Detected	None Detected	PASS
Yeasts & Molds	Biolumix	< 10,000 cfu/g	< 10,000 cfu/g	PASS

Final Disposition

PASS

This product has been reviewed and approved by our FDA Approved Lab located in the United States of America.

The results reported in this Certificate of Analysis (COA) are truthful and representative of the lot. The finished product and all raw materials used to manufacture the batch have been found to meet required specification limits in accordance with 21 CFR 111 (cGMP) regulations and the product is duly released.

High-Performance Pre-Workout - Watermelon | Strength & Endurance Formula. This Certificate of Analysis for **Lot #11884** remains fully compliant with all laboratory results, including:

- **Sodium:** 88.592 mg/serving.
- **Vitamin B3:** 21.688 mg/serving.
- **Prop 65 Heavy Metals:** All results (mcg/day) well below the regulatory limits.
- **Microbiology:** Confirmed PASS across all safety parameters.

Key Data Transferred:

- **Product Name:** Nitric Shock Honeydew Watermelon
- **Lot Number:** 11884
- **Nutritional Profile:** Sodium (**88.592 mg**) and Vitamin B3 Nicotinic Acid (**21.688 mg**) per serving.
- **Heavy Metals:** Prop 65 compliant testing (Arsenic, Cadmium, Lead, and Mercury) with results well within safe daily intake levels.
- **Microbiology:** All tests (Total Plate Count, Coliform, E. coli, Salmonella, S. aureus, Yeast & Molds) recorded as PASS using Biolumix and VIDAS methods.
- **Final Disposition:** PASS
