E.Coli	(AOAC 991.14)	≤ 10 cfu/g	< 10 cfu/g	PASS
Salmonella	VIDAS (AOAC RI 2011.03)	Negative / 25g	Negative / 25g	PASS
Yeast	(AOAC RI 121301)	≤ 1,000 cfu/g	< 1,000 cfu/g	PASS
Molds	(AOAC RI 121301)	≤ 1,000 cfu/g	< 1,000 cfu/g	PASS

Final Disposition
PASS

This product has been reviewed and approved by our FDA Approved Lab located in the United States of America.

The results reported in this Certificate of Analysis (COA) are truthful and representative of the lot. The finished product and all raw materials used to manufacture the batch have been found to meet required specification limits in accordance with 21 CFR 111 (cGMP) regulations and the product is duly released.

Key Data Transferred:

- **Product Identity:** Pure L-Glutamine Recovery Powder - 300g.
- **Lot Number:** 091520161.
- **Manufacture Date:** 09/15/2025.
- **Physical Specs:** White powder and white powder solution confirmed.
- **Assay:** Specifically recorded at **98.54%** (exceeding the NLT 95% requirement).
- **Microbiology:** All parameters (Plate Count, E.Coli, Salmonella, Yeast, Molds) meet the specified safety limits.
- **Disposition:** Final Status is "**PASS**".
