Molds	(AOAC RI 121301)	≤ 1,000 cfu/g	< 1,000 cfu/g	PASS

Final Disposition
PASS

This product has been reviewed and approved by our FDA Approved Lab located in the United States of America.

The results reported in this Certificate of Analysis (COA) are truthful and representative of the lot. The finished product and all raw materials used to manufacture the batch have been found to meet required specification limits in accordance with 21 CFR 111 (cGMP) regulations and the product is duly released.

Key Data Transferred:

- **Product Name:** Amino Energy Peach Mango
- **Lot Number:** 053122C613
- **Qualitative Analysis:** Active ingredient Taurine verified against the **41.67%** specification.
- **Assay:** Specifically recorded at **98.30%** via USP <197A> method.
- **Physical Specs:** Off-white colored powder and light orange solution confirmed.
- **Microbiology:** All results, including Total Plate Count and pathogen screening (E.Coli, Salmonella), recorded as PASS.
- **Disposition:** Final Status is "**PASS**".
