Total Plate Count	Biolumix	< 100,000 cfu/g	< 100,000 cfu/g	PASS
Total Coliform	Biolumix	< 1,000 cfu/g	< 1,000 cfu/g	PASS
E. coli	Biolumix	None Detected	None Detected	PASS
Salmonella spp.	AOAC 2013.01 <Vidas>	None Detected	None Detected	PASS
Yeasts & Molds	Biolumix	< 10,000 cfu/g	< 10,000 cfu/g	PASS

Final Disposition
PASS

This product has been reviewed and approved by our FDA Approved Lab located in the United States of America.

The results reported in this Certificate of Analysis (COA) are truthful and representative of the lot. The finished product and all raw materials used to manufacture the batch have been found to meet required specification limits in accordance with 21 CFR 111 (cGMP) regulations and the product is duly released.

Final Report Details:

- **Product Name:** ION + Select Electrolyte Formula - Advanced Hydration Matrix
- **SKU:** ROC617

- **Analysis:** Standard lab analysis including Appearance, Solution Color, and Assay (USP <197A>) all verified as **PASS**.
- **Microbiology:** Full screening for Total Plate Count, Coliform, E. coli, Salmonella, and Yeasts & Molds confirmed as **PASS**.
- **Disposition:** Final Status is "**PASS**".
