

Glutathione Complex - The Master Antioxidant | Detox & Liver Support
 SKU: ROC721 Date: 1/21/2026 | Verified Third Party Lab

CERTIFICATE OF ANALYSIS

Product Name	Glutathione Complex - The Master Antioxidant Detox & Liver Support		
Product SKU	ROC721	Lot Number	241031-RT0470
Item Number	RT0470	Country of Origin	USA

ANALYSIS	METHOD	SPECIFICATION	RESULTS	STATUS
Identity / Organoleptic				
Appearance	WI-QC-017	Clear hard-shell capsule, size 0	Conforms	PASS
Powder Color	WI-QC-017	Beige to Orange-Beige	Conforms	PASS
Powder Odor	WI-QC-017	Characteristic	Conforms	PASS
Fingerprint Identity	UHPLC	Must Conform to Standard	Conforms	PASS
Strength (Per Capsule)				
L-Glutathione (reduced)	HPLC	125 - 143 mg	142 mg	PASS
Calcium	ICP-MS	30.4 - 62 mg	53.4 mg	PASS
Purity (Heavy Metals per 3 capsules)				
Lead (Pb)	ICP-MS	≤ 5 µg	Pass	PASS
Arsenic (As)	ICP-MS	≤ 15 µg	Pass	PASS
Cadmium (Cd)	ICP-MS	≤ 5 µg	Pass	PASS
Mercury (Hg)	ICP-MS	≤ 2 µg	Pass	PASS
Microbiology				
Total Aerobic Microbial Count	USP <2021>	≤ 1 x 10 ⁷ cfu/g	Pass	PASS
Total Combined Yeast/Mold	USP <2021>	≤ 1 x 10 ⁵ cfu/g	Pass	PASS
Staphylococcus aureus	USP <2022>	None Detected in 10g	Pass	PASS
Escherichia coli	USP <2022>	None Detected in 10g	Pass	PASS
Salmonella spp.	USP <2022>	None Detected in 10g	Pass	PASS

This product has been reviewed and approved by our FDA Approved Lab located in the United States of America.

The results reported in this Certificate of Analysis (COA) are truthful and representative of the lot. The finished product and all raw materials used to manufacture the batch have been found to meet required specification limits in accordance with 21 CFR 111 (cGMP) regulations and the product is duly released.

Analysis Highlights for Lot #241031-RT0470:

- **Strength Verification:** L-Glutathione (reduced) confirmed at **142 mg** and Calcium at **53.4 mg** per capsule.
- **Identity:** Appearance (Size 0 clear capsule), powder color (beige to orange-beige), and UHPLC fingerprint identity all conform to standard.
- **Purity:** Heavy metals (Pb, As, Cd, Hg) verified as PASS against strict specification limits.
- **Safety:** Microbiological screening (Aerobic, Yeast/Mold, E. coli, Salmonella, S. aureus) all recorded as PASS.
- **Disposition:** Final Status is "**PASS**".
