

Premium Adaptogen Herb Botanicals - Stress & Energy Support
 SKU: ROC726 Date: 1/21/2026 | Verified Third Party Lab

CERTIFICATE OF ANALYSIS

Product Name	Premium Adaptogen Herb Botanicals - Stress & Energy Support		
Product SKU	ROC726	Lot Number	240910-RT2175
Item Number	RT2175	Country of Origin	USA

ANALYSIS	METHOD	SPECIFICATION	RESULTS	STATUS
Identity / Organoleptic				
Capsule Appearance	WI-QC-017	Clear hard-shell capsule, size 0	Conforms	PASS
Powder Color	WI-QC-017	Light Brown to Brown	Conforms	PASS
Powder Odor	WI-QC-017	Characteristic	Conforms	PASS
Identity (FTIR)	DOC-2319	Must Conform to Standard	Conforms	PASS
Strength Analysis (per 3 capsules)				
Salidroside	HPLC	12.5 - 17.5 mg	15 mg	PASS
Total Rosavins	HPLC	10 - 15 mg	12 mg	PASS
Purity (Heavy Metals per 3 capsules)				
Lead (Pb)	ICP-MS	≤ 5 µg	Pass	PASS
Arsenic (As)	ICP-MS	≤ 15 µg	Pass	PASS
Cadmium (Cd)	ICP-MS	≤ 5 µg	Pass	PASS
Mercury (Hg)	ICP-MS	≤ 2 µg	Pass	PASS
Microbiology				
Total Aerobic Microbial Count	USP <2021>	≤ 1 x 10 ⁷ cfu/g	Pass	PASS
Total Combined Yeast/Mold	USP <2021>	≤ 1 x 10 ⁵ cfu/g	Pass	PASS
Escherichia coli	USP <2022>	None Detected in 10g	Pass	PASS
Salmonella spp.	USP <2022>	None Detected in 10g	Pass	PASS

Final Disposition

PASS

This product has been reviewed and approved by our FDA Approved Lab located in the United States of America.

The results reported in this Certificate of Analysis (COA) are truthful and representative of the lot. The finished product and all raw materials used to manufacture the batch have been found to meet required specification limits in accordance with 21 CFR 111 (cGMP) regulations and the product is duly released.

Analytical Summary for Lot #240910-RT2175:

- **Product Name:** Premium Adaptogen Herb Botanicals - Stress & Energy Support
- **Active Potency:** Verified levels of **Salidroside (15 mg)** and **Total Rosavins (12 mg)** per 3-capsule serving.
- **Identity:** FTIR identity confirmed; appearance and organoleptic markers conform to reference standards.
- **Safety Profile:** Full **PASS** on heavy metals (Pb, As, Cd, Hg) and microbiological screening (Total Aerobic, Yeast/Mold, E. coli, and Salmonella).
- **Disposition:** **PASS**
