

Vision & Eye Support Plus - Advanced Lutein & Zeaxanthin Formula
 SKU: ROC737 Date: 1/21/2026 | Verified Third Party Lab | Lot# 3015740113

CERTIFICATE OF ANALYSIS

Product Name	Vision & Eye Support Plus - Advanced Lutein & Zeaxanthin Formula		
Product SKU	ROC737	Date Published	2026
Item Number	RT2405	Country of Origin	USA

ANALYSIS	METHOD	SPECIFICATION	RESULTS	STATUS
Identity / Organoleptic				
Appearance	Visual	Clear hard-shell capsule, size 0	Conforms	PASS
Powder Color	Visual	Orange to Reddish-Orange	Conforms	PASS
Identity (FTIR)	USP <197A>	Must Conform to Standard	Conforms	PASS
Purity (Heavy Metals per Serving)				
Lead (Pb)	ICP-MS	≤ 5 µg	Pass	PASS
Arsenic (As)	ICP-MS	≤ 15 µg	Pass	PASS
Microbiology				
Total Aerobic Microbial Count	USP <2021>	≤ 1 x 10 ³ cfu/g	Pass	PASS
Salmonella spp.	USP <2022>	None Detected in 10g	Pass	PASS
Escherichia coli	USP <2022>	None Detected in 10g	Pass	PASS

Final Disposition
PASS

This product has been reviewed and approved by our FDA Approved Lab located in the United States of America.

The results reported in this Certificate of Analysis (COA) are truthful and representative of the lot. The finished product and all raw materials used to manufacture the batch have been found to meet required specification limits in accordance with 21 CFR 111 (cGMP) regulations and the product is duly released.

Analytical Summary:

- **Identity & Appearance:** Verified as Size 0 clear capsules containing orange to reddish-orange powder. Identity confirmed via FTIR (USP <197A>).
- **Safety & Purity:**
 - **Heavy Metals:** Confirmed compliance with safety standards for Lead and Arsenic via ICP-MS.
 - **Microbiology:** Full **PASS** on screening for pathogens (E. coli, Salmonella) and aerobic microbial counts.
- **Final Disposition:** Batch meets all criteria for release. Status: **PASS**.
