

Gallbladder Support Plus - Targeted Bile & Fat Digestion
 SKU: ROC738 Date: 1/21/2026 | Verified Third Party Lab | Lot# 30152411024

CERTIFICATE OF ANALYSIS

Product Name	Gallbladder Support Plus - Targeted Bile & Fat Digestion		
Product SKU	ROC738	Date Published	2026
Dosage Form	Capsule	Country of Origin	USA

ANALYSIS	METHOD	SPECIFICATION	RESULTS	STATUS
Identity / Organoleptic				
Appearance	Visual	Clear hard-shell capsule, size 0	Conforms	PASS
Identity (FTIR)	USP <197A>	Must Conform to Standard	Conforms	PASS
Purity (Heavy Metals per Serving)				
Lead (Pb)	ICP-MS	≤ 5 µg	Pass	PASS
Arsenic (As)	ICP-MS	≤ 15 µg	Pass	PASS
Microbiology				
Total Aerobic Microbial Count	USP <2021>	≤ 1 x 10 ³ cfu/g	Pass	PASS
Salmonella spp.	USP <2022>	None Detected in 10g	Pass	PASS
Escherichia coli	USP <2022>	None Detected in 10g	Pass	PASS

Final Disposition
PASS

This product has been reviewed and approved by our FDA Approved Lab located in the United States of America.

The results reported in this Certificate of Analysis (COA) are truthful and representative of the lot. The finished product and all raw materials used to manufacture the batch have been found to meet required specification limits in accordance with 21 CFR 111 (cGMP) regulations and the product is duly released.

Analytical Summary:

- Product Identity:** Verified via visual inspection (Size 0 clear capsules) and FTIR identity testing (USP <197A>).

- **Safety & Purity:**
 - **Heavy Metals:** Confirmed compliance for Lead and Arsenic using ICP-MS.
 - **Microbiology:** Full **PASS** on screening for pathogens (E. coli, Salmonella) and total aerobic microbial counts.
- **Final Disposition:** Batch meets all criteria for release. Status: **PASS**.
