Mercury (Hg)	USP <2232>	< 15 ppm	< 0.001 ppm	PASS
Microbiology				
Total Plate Count	Biolumix	< 100,000 cfu/g	< 100,000 cfu/g	PASS
Yeasts & Molds	Biolumix	< 10,000 cfu/g	< 10,000 cfu/g	PASS
Escherichia coli	Biolumix	None Detected	None Detected	PASS
Salmonella spp.	AOAC 2013.01	None Detected	None Detected	PASS

Final Disposition
PASS

This product has been reviewed and approved by our FDA Approved Lab located in the United States of America.

The results reported in this Certificate of Analysis (COA) are truthful and representative of the lot. The finished product and all raw materials used to manufacture the batch have been found to meet required specification limits in accordance with 21 CFR 111 (cGMP) regulations and the product is duly released.

Analytical Highlights for Lot #BSP220808:

- **Product Name:** Anxiety Formula - Natural Stress & Relaxation Support
- **Nutrient Profile:** Confirmed Vitamin B1 (**7.329 mg**), Vitamin B3 (**15.173 mg**), and Magnesium (**13.586 mg**) per serving, all exceeding minimum specifications.
- **Safety & Purity:**
 - **Heavy Metals:** Arsenic, Cadmium, Lead, and Mercury levels all verified as **PASS** and well below strict parts-per-million (ppm) limits.
 - **Microbiology:** Full screening for pathogens (E. coli, Salmonella) and aerobic/yeast/mold counts all recorded as **PASS**.
- **Physical Metrics:** Average net fill weight confirmed at **738.10 mg** per serving (2 capsules).
- **Final Disposition:** **PASS**
