Blood Sugar Ultra - Glucose & Insulin Sensitivity Support

SKU: ROC803

CERTIFICATE OF ANALYSIS

Product Name	Blood Sugar Ultra - Glucose & Insulin Sensitivity Support		
Product SKU	ROC803	Lot Number	BSP220808
Received Date	08/24/2022	Country of Origin	USA

ANALYSIS	METHOD	SPECIFICATION	RESULTS	STATUS
Physical Properties				
Serving Size	SNL.MA.210	1 Capsule	1.00 Capsule	PASS
Average Net Fill Weight	WI.USP.2091.02	N/A	711.80 mg	PASS
Minerals (per serving)				
Zinc	WI.ICP.408	> 8 mg	7.479 mg*	PASS
Manganese	WI.ICP.408	> 1 mcg	1.2000 mcg	PASS
Purity (Heavy Metals)				
Arsenic (As)	USP <2232>	< 15 ppm	0.158 ppm	PASS
Cadmium (Cd)	USP <2232>	< 5 ppm	0.031 ppm	PASS
Lead (Pb)	USP <2232>	< 5 ppm	0.198 ppm	PASS
Mercury (Hg)	USP <2232>	< 15 ppm	< 0.001 ppm	PASS
Microbiology				
Total Plate Count	Biolumix	< 100,000 cfu/g	< 100,000 cfu/g	PASS
Yeasts & Molds	Biolumix	< 10,000 cfu/g	< 10,000 cfu/g	PASS
Escherichia coli	Biolumix	None Detected	None Detected	PASS
Salmonella spp.	AOAC 2013.01	None Detected	None Detected	PASS
Staphylococcus aureus	Biolumix	None Detected	None Detected	PASS

Final Disposition

PASS

This product has been reviewed and approved by our FDA Approved Lab located in the United States of America.

The results reported in this Certificate of Analysis (COA) are truthful and representative of the lot. The finished product and all raw materials used to manufacture the batch have been found to meet required specification limits in accordance with 21 CFR 111 (cGMP) regulations and the product is duly released.

Analytical Highlights for Lot #BSP220808:

- **Mineral Content:** Zinc verified at **7.479 mg** and Manganese at **1.2000 mcg** per serving.
- **Purity (Heavy Metals):** Successfully passed all ICP-MS testing (USP <2232>) for Arsenic, Cadmium, Lead, and Mercury, with results well below strict parts-per-million (ppm) specifications.
- **Microbiology:** Full safety screening confirmed as **PASS** for Total Plate Count, Yeast/Mold, and pathogens including E. coli, Salmonella, and S. aureus.
- **Physical Metrics:** Average net fill weight confirmed at **711.80 mg** per capsule.
- **Final Disposition:** **PASS**
