

Neuro Plus Brain and Focus - Nootropic Cognitive Support
 SKU: ROC812 Date: 1/21/2026 | Verified Third Party Lab

CERTIFICATE OF ANALYSIS

Product Name	Neuro Plus Brain and Focus - Nootropic Cognitive Support		
Product SKU	ROC812	Lot Number	NBE221014
Received Date	10/18/2022	Country of Origin	USA

ANALYSIS	METHOD	SPECIFICATION	RESULTS	STATUS
Physical Properties				
Serving Size	SNL.MA.210	2 Capsules	2.00 Capsules	PASS
Average Net Fill Weight	WI.USP.2091.02	760.00 - 840.00 mg	802.00 mg	PASS
Nutrients & Potency (per serving)				
Vitamin C	WI.HPLC.201	> 60 mg	66.644 mg	PASS
Folate	WI.HPLC.201	> 300 mcg DFE	381.632 mcg DFE	PASS
Chromium	WI.ICP.408	> 8 mcg	8.675 mcg	PASS
Selenium	WI.ICP.408	> 30 mcg	34.708 mcg	PASS
Purity (Heavy Metals)				
Arsenic (As)	USP <2232>	< 15 ppm	0.144 ppm	PASS
Cadmium (Cd)	USP <2232>	< 5 ppm	0.018 ppm	PASS
Lead (Pb)	USP <2232>	< 5 ppm	0.126 ppm	PASS
Mercury (Hg)	USP <2232>	< 15 ppm	< 0.001 ppm	PASS
Microbiology				
Total Plate Count	Biolumix	< 100,000 cfu/g	< 100,000 cfu/g	PASS
Escherichia coli	Biolumix (PCR)	None Detected	None Detected	PASS
Salmonella spp.	AOAC 2013.01	None Detected	None Detected	PASS

Final Disposition
PASS

This product has been reviewed and approved by our FDA Approved Lab located in the United States of America.

The results reported in this Certificate of Analysis (COA) are truthful and representative of the lot. The finished product and all raw materials used to manufacture the batch have been found to meet required specification limits in accordance with 21 CFR 111 (cGMP) regulations and the product is duly released.

Analytical Highlights for Lot #NBE221014:

- **Nutrient Potency:** Verified levels for Vitamin C (**66.644 mg**), Folate (**381.632 mcg DFE**), Chromium (**8.675 mcg**), and Selenium (**34.708 mcg**) per serving.
- **Safety & Purity:**
 - **Heavy Metals:** Confirmed compliance with USP <2232> standards for Arsenic, Cadmium, Lead, and Mercury, with results significantly below limit thresholds.
 - **Microbiology:** Full **PASS** on screening for pathogens (E. coli, Salmonella) and aerobic plate counts.
- **Physical Metrics:** Average net fill weight confirmed at **802.00 mg** per capsule.
- **Final Disposition:** **PASS**
