

Turmeric Curcumin w/ BioPerine - 650mg Anti-Inflammatory
 SKU: ROC818 Date: 1/21/2026 | Verified Third Party Lab

CERTIFICATE OF ANALYSIS

Product Name	Turmeric Curcumin w/ BioPerine - 650mg Anti-Inflammatory		
Product SKU	ROC818	Lot Number	TWB12284
Received Date	12/28/2022	Country of Origin	USA

ANALYSIS	METHOD	SPECIFICATION	RESULTS	STATUS
Physical Properties				
Average Net Fill Weight	WI.USP.2091.02	710.00 - 780.00 mg	745.00 mg	PASS
Identity / Strength (per serving)				
Curcumin	WI.HPLC.201	N/A	41.564 mg	PASS
Total Curcuminoids	WI.HPLC.201	> 50 mg	53.590 mg	PASS
Purity (Heavy Metals)				
Arsenic (As)	USP <2232>	< 15 ppm	0.067 ppm	PASS
Cadmium (Cd)	USP <2232>	< 5 ppm	0.050 ppm	PASS
Lead (Pb)	USP <2232>	< 5 ppm	0.040 ppm	PASS
Mercury (Hg)	USP <2232>	< 15 ppm	0.002 ppm	PASS
Microbiology				
Total Plate Count	Biolumix	< 100,000 cfu/g	2,300 cfu/g	PASS
Escherichia coli	PCR	None Detected	None Detected	PASS
Salmonella spp.	PCR	None Detected	None Detected	PASS

Final Disposition
PASS

This product has been reviewed and approved by our FDA Approved Lab located in the United States of America.

The results reported in this Certificate of Analysis (COA) are truthful and representative of the lot. The finished product and all raw materials used to manufacture the batch have been found to meet required specification limits in accordance with 21 CFR 111 (cGMP) regulations and the product is duly released.

Analytical Highlights for Lot #TWB12284:

- **Curcuminoid Potency:** Total Curcuminoids verified at **53.590 mg per serving**, exceeding the 50 mg specification.
- **Safety & Purity:**
 - **Heavy Metals:** Confirmed compliance with USP <2232> standards for Arsenic, Cadmium, Lead, and Mercury.
 - **Microbiology:** Full **PASS** on screening for pathogens (E. coli, Salmonella) and a safe Total Plate Count of **2,300 cfu/g**.
- **Physical Metrics:** Average net fill weight confirmed at **745.00 mg** per capsule.
- **Final Disposition:** **PASS**
