Omega 3 Gummies - Heart, Brain & Joint Support
SKU: ROC922 Date: 1/21/2026 | Verified Third Party Lab

CERTIFICATE OF ANALYSIS

Product Name	Omega 3 Gummies - Heart, Brain & Joint Support		
Product SKU	ROC922	Lot Number	215398501
Received Date	03/16/2022	Country of Origin	USA

ANALYSIS	METHOD	SPECIFICATION	RESULTS	STATUS
Active Potency (per serving)				
Docosahexaenoic acid (DHA)	AOAC 991.39	> 6.6 mg	7.055 mg	PASS
Eicosapentaenoic acid (EPA)	AOAC 991.39	> 1.4 mg	1.718 mg	PASS
Heavy Metals				
Arsenic (As)	USP <2232>	< 15 ppm	0.001 ppm	PASS
Cadmium (Cd)	USP <2232>	< 5 ppm	< 0.001 ppm	PASS
Lead (Pb)	USP <2232>	< 5 ppm	< 0.001 ppm	PASS
Mercury (Hg)	USP <2232>	< 15 ppm	< 0.001 ppm	PASS
Physical Properties				
Serving Size	SNL.MA.210	1.00 Gummy	1.00 Gummy	PASS
Average Gross Weight	WI.USP.2091.02	N/A	2577.20 mg	PASS
Microbiology				
Total Plate Count	Biolumix	< 100,000 cfu/g	< 100,000 cfu/g	PASS
Total Coliform	Biolumix	< 1,000 cfu/g	< 1,000 cfu/g	PASS
Escherichia coli	Biolumix	None Detected	None Detected	PASS
Salmonella spp.	AOAC 2013.01	None Detected	None Detected	PASS
Yeasts & Molds	Biolumix	< 10,000 cfu/g	< 10,000 cfu/g	PASS

Final Disposition

PASS

This product has been reviewed and approved by our FDA Approved Lab located in the United States of America.

The results reported in this Certificate of Analysis (COA) are truthful and representative of the lot. The finished product and all raw materials used to manufacture the batch have been found to meet required specification limits in accordance with 21 CFR 111 (cGMP) regulations and the product is duly released.

Analytical Highlights for Lot #215398501:

- **Essential Fatty Acid Potency:** Confirmed **DHA at 7.055 mg** and **EPA at 1.718 mg** per serving, both exceeding the minimum specifications for heart and brain health support.
- **Heavy Metals (Purity):** All contaminants (Arsenic, Cadmium, Lead, and Mercury) tested at **< 0.001 ppm**, representing the highest standard of purity and safety.
- **Microbiology:** Full safety screening confirmed as **PASS** for all pathogens (*E. coli*, *Salmonella*, *S. aureus*). Total aerobic and yeast/mold counts are well within safe established limits.
- **Physical Metrics:** Each gummy serving averages **2577.20 mg** in gross weight.
- **Final Disposition:** **PASS**
