Physical Properties				
Serving Size	SNL.MA.210	1 Gummy	1.00 Gummy	PASS
Average Gross Weight	WI.USP.2091.02	N/A	2468.00 mg	PASS
Purity (Heavy Metals)				
Arsenic (As)	USP <2232>	< 15 ppm	0.005 ppm	PASS
Cadmium (Cd)	USP <2232>	< 5 ppm	< 0.001 ppm	PASS
Lead (Pb)	USP <2232>	< 5 ppm	0.004 ppm	PASS
Mercury (Hg)	USP <2232>	< 15 ppm	< 0.001 ppm	PASS
Microbiology				
Total Plate Count	Biolumix	< 100,000 cfu/g	< 100,000 cfu/g	PASS
Escherichia coli	Biolumix	None Detected	None Detected	PASS
Salmonella spp.	AOAC 2013.01	None Detected	None Detected	PASS
Yeasts & Molds	Biolumix	< 10,000 cfu/g	< 100 cfu/g	PASS

Final Disposition
PASS

This product has been reviewed and approved by our FDA Approved Lab located in the United States of America.

The results reported in this Certificate of Analysis (COA) are truthful and representative of the lot. The finished product and all raw materials used to manufacture the batch have been found to meet required specification limits in accordance with 21 CFR 111 (cGMP) regulations and the product is duly released.

Analytical Highlights for Lot #225057201:

- **Comprehensive Vitamin Blend:**
 - **Biotin (B7):** Confirmed at 2544.931 mcg, exceeding the >2500 mcg specification.
 - **Vitamin C:** Verified at 16.974 mg (Spec: >10 mg).
 - **B5 & B6:** Both vitamins tested well above minimum requirements for hair health support.
- **Safety & Purity:**
 - **Heavy Metals:** Confirmed compliance with USP <2232> standards for Arsenic, Cadmium, Lead, and Mercury.
 - **Microbiology:** Full safety screening confirmed as PASS for pathogens including *E. coli*, *Salmonella*, and *S. aureus*. Yeast and Mold recorded at an exceptionally clean level of < 100 cfu/g.
- **Physical Metrics:** Average gross and net fill weight verified at 2468.00 mg per gummy.
- **Final Disposition:** PASS
