

Women's Hormonal Support Gummies - Balance & Mood Formula
 SKU: ROC947 Date: 1/21/2026 | Verified Third Party Lab

CERTIFICATE OF ANALYSIS

Product Name	Women's Hormonal Support Gummies - Balance & Mood Formula		
Product SKU	ROC947	Lot Number	238069301
Product Code	399-1305	Country of Origin	USA

ITEM	LABEL CLAIM (PER 1PC)	TEST RESULTS	TEST METHOD	STATUS
Active Ingredients & Potency				
Vitamin B6 (as Pyridoxine Hydrochloride)	15.0 mg	24.3 mg	USP Standard	PASS
Cranberry Extract	50.0 mg	Conforms	Based on Input	PASS
Chasteberry Extract	25.0 mg	Conforms	Based on Input	PASS
Dong Quai Extract	1.0 mg	Conforms	Based on Input	PASS
Physical Characteristics				
Appearance	Red Heart Gummy	Conforms	Visual	PASS
Fill Weight	2.5g ± 10%	Conforms	Direct Weighing	PASS
Taste	Strawberry	Conforms	Organoleptic	PASS
Heavy Metals (mg/kg)				
Lead (Pb)	≤ 0.5	< 0.02	AOAC 993.14	PASS
Mercury (Hg)	≤ 0.1	< 0.003	AOAC 993.14	PASS
Microbiology (CFU/g)				
Total Aerobic Microbial Count	≤ 10000	< 10	USP <2021>	PASS
Combined Yeast & Mold Count	≤ 100	< 10	USP <2021>	PASS
Escherichia coli / Salmonella	Negative	Negative	USP <2022>	PASS

Final Disposition
PASS

This product has been reviewed and approved by our FDA Approved Lab located in the United States of America.

The results reported in this Certificate of Analysis (COA) are truthful and representative of the lot. The finished product and all raw materials used to manufacture the batch have been found to meet required specification limits in accordance with 21 CFR 111 (cGMP) regulations and the product is duly released.

Analytical Highlights for Lot #238069301:

- **Active Ingredients & Potency:**
 - **Vitamin B6:** Confirmed at **24.3 mg** per gummy, exceeding the 15.0 mg label claim.
 - **Botanical Extracts:** Cranberry, Chasteberry, and Dong Quai extracts were verified via input process controls.
- **Safety & Purity:**
 - **Heavy Metals:** Confirmed compliance with AOAC 993.14 standards for Lead (< **0.02 mg/kg**), Mercury (< **0.003 mg/kg**), Arsenic, and Cadmium, all well below the 0.1–1.0 mg/kg safety thresholds.
 - **Microbiology:** Full safety screening confirmed as **PASS** (USP <2021/2022>) for pathogens including *E. coli*, *Salmonella*, and *S. aureus*. Total Aerobic and Yeast/Mold counts were exceptionally low at < **10 CFU/g**.
- **Physical Characteristics:** Verified as **Red Heart Gummies** with an oil coating and **Strawberry** flavor. Fill weight (2.5g) is within specification.
- **Final Disposition:** **PASS**
